WHY US?

WE GOT THE TOOLS

We have a full scope of the right tools in our home inspection toolkit to get your job done well.

CERTIFIED EXPERIENCE

Becoming a certified home inspector doesn't take long. But it takes years of prior experience in construction or remodeling industry to acquire the necessary field experience and confidence.

COMPETITIVE PRICING

Our fees are very competitive and typically within \$50 to \$75 of our competition; our focus is on providing the best value at any price.

The client will receive a comprehensive report within hours after inspection, with detailed descriptions of concerns along with Clear digital photos. This means there is little room for doubt about the inspector's evaluation.
